The fine print:

- Begins July 1, 2011 and all punch forms must be redeemed no later than June 15, 2012
- Only orders placed with me qualify – you can place your orders directly online at www.SarahsInkSpot.StampinUp.net or via email to me at sarah@sarahsinkspot.com
- You earn 1 punch for every \$50 in a **single** order, before tax & shipping. You may *not* combine separate orders below \$50 to earn a punch. For instance, a single \$65 order earns 1 punch. A \$45 order and then a \$20 order do *not* earn any punches. A single \$150 order earns 3 punches.
- Keeping track of your progress is *your* responsibility.
- Once you have reached 10 punches, mail a copy of this sheet to the address below (or scan and email) to me for verification. Be sure to include your stamp set choice above.
- Once verified, I order your stamp set immediately.
- One customer only per punch card.
- This punch program may be combined with My Monthly Club and 2011-2012 Coupon Sheet.
