### Instructions:

1. Adhere black layer to card base
2. Stamp the trees using black ink onto the white layer and adhere to the card base
3. To 'glitterize' – use your Fine Tip Glue Pen to draw glue where you want there to be 'snow' – I went along the three lines on the 'ground' and dotted it around the trees...
4. Pour Dazzling Diamonds Glitter all over those glue lines and shake off – and there you have a beautiful snow effect!
5. Stamp 'peace be with you' or a similar sentiment and use a Circle Punch to shape it – then add to your card using Dimensionals
6. And there you have one quick & easy but beautiful Holiday card!
