- Brown layer: Crumb Cake 4" x 5 ¼"
- DSP layer: Coffee Break 3 7/8" x 5 1/8"

### Instructions:

1. Use Snail adhesive to adhere the Crumb Cake layer to the card base – add the patterned wood effect paper from Coffee Break DSP on top of that
2. Die cut two large leaves using dies from Leaflets Framelits and position where you want them to be – use Snail to secure them in place
3. Stamp the deer using Soft Suede Ink and die cut using the largest Oval Die from Stitched Shapes Framelits – use Dimensionals to add on top of the leaves
4. Use a die from Welcome Home Framelits to die cut glittered gold stems – another small leaf die from Leaflets Framelits to cut a Crumb Cake leaf – and position them where you want them to be – secure the gold stems with Fine Tip Glue and the Crumb Cake leaf with Dimensionals – add a Linen Thread bow and another gold stem die to the top of that leaf
5. Use stamps from Tabs for Everything to stamp the sentiment & punch out with the 1" Circle Punch – add with Dimensionals
6. Take a mini gold sequin and add to the top of the card next to the leaf stems using a blob of Fine Tip Glue and pop a corrugated heart right at the bottom under the sentiment and there you have one cool masculine Birthday card 😊
