Misc: Striped Treat Bags (144255), Gold Binder Clips (141673), Metallics Sequin Assortment (144214), Gold Foil Snowflake (144642), Green Sprigs (144627), Dimensionals (104430), Glue Dots (103683), Fine Tip Glue Pen (138309), Tear & Tape Adhesive(138995), Hot Glue Gun, Cocoa Powder Sachet, Ghirardelli Chocolate Square

Instructions:

1. Take 2 Striped Treat Bags – take the first, measure 5 ½" up from the bottom edge and cut – keep the larger bottom piece & discard the top bit
2. Take the second bag and measure 3 ½" up from the bottom edge and cut – keep the top piece – this will become the top flap of your bag. Make sure you have the seam facing you and score a line 1" up from the long bottom edge and fold forwards to make a small flap. Apply a strip of strong adhesive tape to that 1" flap
3. Turn your first bag over so that the back seam portion is facing you – turn over your top flap and adhere firmly in place.
4. Turn back over and you will see that the front of your bag has a pretty serrated edge flap and no seam ☺
5. Pop your cocoa pouch & chocolate square or other treat inside and use a Gold Binder Clip to hold your bag closed
6. Take two green sprigs and use Hot Glue to attach them together at the stems – then attach to the Binder Clip and add a bow made of Crumb Cake Classic Weave Ribbon on top
7. Cut a 1" x 4 ¾" strip of Gold Glimmer paper and adhere to the bag on top of the 4th gold stripe up – wrap around a piece of Gold Mini Sequin Trim and leave some tassels from it hanging down
8. Add a Gold Foil Snowflake on top – make sure to adhere this to the body of the bag and not the flap part – that way the lucky recipient of this will still be able to open the flap and get to the goodies inside without destroying the pretty panel
9. Stamp 'Merry Christmas' and the border underneath and cut out using the largest oval die in Stitched Shapes Framelits and add to the snowflake using Dimensionals
10. Add a few circles of Gold Metallic Thread just under the snowflake at the top right side and dot around a few gold sequins for a pretty finishing touch – and there you go ☺
