Cutting Measurements:

- Card base: Basic Black 4 ¼" x 11" - scored at 5 ½"
- Layer: Cajun Craze 5 1/4" x 4"

Instructions:

1. Cut the Cajun Craze layer and add it to the Basic Black base
2. Cut a piece of DSP with the moon & trees to measure 3 7/8" wide x 1" and attach at the top of the Cajun layer
3. Cut a strip of Basic Black cardstock to measure 4" x ¼" and adhere ¾" down from the top of the patterned background to give you a black bar that goes across your card front
4. Wrap around a piece of Black Mini Sequin Trim - 2" down from the top - and secure at the back with tape
5. Cut a piece of Shimmery White cardstock to measure 4 7/8" wide x 4 3/8" – use a brick patterned mask & position it on the cardstock – use tape to hold in place & use masking tape to tape off areas you don't want paste –use a Palette Knife to apply the paste, remove & clean the mask and set the cardstock aside to dry

6. Use the Cat Punch to punch out a black cat and use pumpkin dies from Patterned Pumpkin Thinlits to cut out the pumpkins and jack-o-lantern – both sheets of paper featuring these images are in Spooky Night DSP
7. When the Embossing Paste is dry, add those images – I used tape for the back two pumpkins and Dimensionals for the cat and jack-o-lantern – along with a couple of Black Rhinestone Jewels dotted around
8. Stamp Happy Halloween using a stamp from Spooky Cat and cut it out using a die from Bunch of Banners. Die cut two black swirls using a die from Patterned Pumpkins Thinlits and adhere into place
9. Attach this layer to your Cajun layer - wrap around a piece of Vintage Crochet Trim along the black bar near the top of your card - secure at the back of the card front using tape and there is your spooky card ☺
