2. Take that white top layer and use the brick patterned mask from Pattern Party Decorative Masks & position it on the cardstock – use tape to hold in place & use masking tape to tape off areas you don't want paste – use a Palette Knife to apply the paste, remove & clean the mask and set the cardstock aside to dry

4. Use stamps from Bike Ride to stamp the bicycle pieces and cut them out using the coordinating dies from Build a Bike Framelits

6. Assemble the bicycle and add to the card
7. Use a stamp from Brightly Lit Christmas to stamp the banner and use dies from Christmas Lamppost to cut it and the swirly banner holder out - add to your card
