### Cutting Measurements:

- Card base: Basic Black 4 1/4" x 11" - scored at 5 1/2"
- Layers: Silver Foil 4" x 5 1/4", Whisper White 3 7/8" x 5 1/8"

### Instructions:

1. Adhere the Silver Foil layer to the card base - Use Versamark Ink to stamp two sparklers onto the White layer and sprinkle on Silver Embossing Powder – set with your Heat Tool and add a Rhinestone Jewel to each center
2. Stamp a third sparkler on a piece of scrap paper in black ink (alternatively you can use Black Embossing Powder) and cut out with Paper Snips. Add a Black Rhinestone to the center and pop in place with glue dots
3. Take a scrap piece of paper and using the Smoky Slate Light Blends Marker make wide sweeping motions to get a watercolor wash looking background – die cut the jar shape using a die from Everyday Jars Framelits
4. Stamp the jar using a stamp from Sharing Sweet Thoughts and die cut out – add to the watercolor wash jar background with glue dots and add the finished jar to the white layer using Dimensionals
5. Wrap around a piece of Black Shimmer Ribbon and secure on the back of the card front with tape. Layer a piece of Silver Metallic Edge Ribbon on top of that and a double piece of Silver Metallic Thread onto that
6. Stamp the tag using a stamp from Seasons of Whimsy and shape with the 1 3/8" Circle Punch. Create a tag using a die from Wood Crate Framelits – cut it in half – and position behind the circle tag with Dimensionals
7. For finishing touches, add Black Bakers Twine around the jar top, swirls of Silver Metallic Thread just under the circle tag, add a Metallic Silver Star to the tag and dot around some Silver Mini Sequins for more bling 😊
