### Instructions:

1. Fill your jar with candy – I used Hershey Santa Hats in these
2. Screw on the lid – you can use the regular silver colored lids or purchase festive lids
3. Adhere the White PomPom Trim to the top of the jar using Tear & Tape adhesive
4. Punch a 2" Circle of Dazzling Diamonds Glimmer Paper and adhere to the lid
5. Stamp the 'Ho!Ho!Ho!' sentiment using black ink and punch out using the 1 ¾ Circle Punch – add to the glittered layer using Dimensionals
6. Tie a piece of Candy Cane Lane Bakers Twine around the band of the lid
7. Punch out the pieces for the Santa Hat and assemble – add to the lid using tape or a glue dot
8. And there you have one super cute gift, ready for giving!
