- Brown layer: Chocolate Chip 5" x 3 ¾"
- White layer: Whisper White 4 7/8" x 3 5/8"

### Instructions:

1. Use a stamp from Feathered Friends and Lemon Lime Twist Ink to stamp the flower stem
2. Use a die from Eastern Medallions Thinlits to die cut the sunflower shape – it doesn't cut it completely out so you will need to use sharp scissors such as Paper Snips to release the shape which is quick & easy to do
3. Use a die from Layering Circle Framelits to cut the flower center and texture that center with the Softly Falling Embossing Folder
4. Attach both together using Dimensionals and then to the card base, again using Dimensionals to make your flower pop out
5. Stamp Thank You using a stamp from Eastern Beauty & Chocolate Chip Ink and shape it using a die from Stitched Shapes Framelits – position and attach to the card using Dimensionals so that the stitching really stands out
6. Attach the white layer to the brown layer and then to the green card base and there you have one beautiful card ready to brighten up someone's day 😊
