Instructions:

1. Pop a drop of Dapper Denim Refill onto a disposable plate and use an Aqua Painter to apply to the Watercolor Paper – use wide sweeping motions to create a nice watercolor wash look and as necessary, reload the brush with fresh color and continue downwards until you are happy with the look – allow to dry
2. Add a piece of Linen Thread and secure on the back – adhere this layer to the Crumb Cake base
3. Die cut the chair from White cardstock and use a Fine Tip Glue Pen to attach to the watercolor background
4. Stamp the 'hello' sentiment using a stamp from Eastern Beauty and Crumb Cake Ink directly onto the card, just under Linen Thread
5. Stamp the flower using a stamp from Colorful Seasons and Soft Sky Ink and die cut using the coordinating die from Seasonal Layers Thinlits
6. Die cut two stems from Lemon Lime Twist cardstock using a die from Welcome Home Framelits – adhere to the card using Fine Tip Glue – add a Linen Thread bow to the left of them
7. Add the flower using a Dimensional and then two Mini Gold Sequins for a little summer bling and there you have one beautiful summer themed card ready for giving 😊
