Cutting Measurements:

- Card base: Basic Black 4 1/4" x 11" - scored at 5 1/2"
- Layers: Merry Little Christmas DSP 4" x 5 1/4", Whisper White 3 3/4" x 5", Whisper White 3 5/8" x 4 7/8"

Instructions:

1. Cut the DSP layer and adhere to the Black base – wrap around a piece of Black Shimmer Ribbon with a double piece of Gold Metallic Thread on top and secure in place
2. Take the smallest White layer and use the Softly Falling Embossing Folder to texture it and adhere to the larger White layer
3. Use dies from Christmas Lamppost Thinlits to cut the lamp pieces from Black cardstock and cut the lamp insert from Gold Glimmer Paper – adhere in place.
4. Stamp the banner using a stamp from Brightly Lit Christmas and cut it and the hanger and adhere in place – I used an Old Olive marker to color the word 'Time'
5. Use stamps and dies from the Bike Ride Bundle to create your bicycle and adhere in place
6. Use stamps and a die from the At Home With You Bundle to create the wreaths and use markers to color in
7. Use the Fine Tip Glue Pen to apply glue to the berries and sprinkle on Gold Glitter – shake off and add to the card. I used Mini Dimensionals to add the wreath to the lamppost and glue dots for the ones on the wheels
8. Dot around some Mini Sequins, add a sprig of holly cut from another wreath to the banner and you are done!
