**Stampin' Up! Supplies Used:**

- Stamps: Seasonal Chums
- Inks: Archival Basic Black
- Cardstock: (CS) Whisper White, Basic Black, Real Red, Pumpkin Pie, Lemon Lime Twist
- Accessories: Tear Tape, Multipurpose Adhesive Sheets, Whisper White Bakers Twine
- Tools: Paper Trimmer, Big Shot, Wood Crate Framelits, Cookie Cutter Punch, Holly Berry Punch, Paper Snips, White Stampin' Chalk Marker
- Miscellaneous: Hershey Bar, Scrap of Red Fleece

INSTRUCTIONS:

1. Cut a piece of Whisper White (CS) at 5 1/2" x 5 3/4". Add Tear Tape to one of the 5 1/2" ends and lay Hershey Bar facedown on (CS).

2. Peel off Tear Tape Film and wrap the Whisper White (CS) around the Hershey Bar firmly. Cut a piece of 1/2" x 12" piece of Fleece. Trim both the short edges in a fringe like pattern and tie in a knot around the bar. (Scarf should be about 2 1/2" from the top.)

3. Using the Cookie Cutter Punch and Basic Black (CS) - punch (2) large and (5) small circles. Cut a nose from Pumpkin Pie CS using Paper Snips. Punch (3) Basic Black circles using the Holly Berry Builder Punch.

4. Attach the pieces as shown with adhesive of your choice. I attached mine by placing each on a scrap of our multipurpose adhesive sheets and then pulling them off and attaching. (I found glue to messy for the little circles.)

5. Cut a 3/8" x 5 3/4" strip of Basic Black (CS) (Brim) and a 1 1/8" x 1 3/4" piece of Basic Black (Top). Add Tear Tape to one end of the long strip and wrap the hat around the top of the snowman's head and attach with the Tear Tape.

6. Cut a piece of Real Red (CS) 3/16" x 1 3/4" and adhere to the hat as shown. Using the White Chalk Marker add a little dash to each eye.

7. Using the Holly Berry Builder Punch and Lemon Lime Twist (CS) punch out (2) small Holly Leaves. Using the Real Red (CS) punch out (1) Berry Cluster. Add dots to the Berry Cluster. Cut out a Lemon Lime Twist Tag using the Big Shot and the Tag Framelit from the Wood Crate Framelits set. Cut a piece of Whisper White (CS) 1/2" x 1" and stamp Merry Christmas on it using the stamp set Seasonal Chums.

8. Attach the Holly Leaves and Berry Cluster to the hat. Attach the stamped phrase to the little tag. Cut an 8" piece of Whisper White Baker's Twine and attach the little tag to the snowman's scarf. And your Snowman Hershey Bar Wrap is complete! I hope you've enjoyed this fun little project.
