Instructions:

1. Take the circular stamp from Seasons of Whimsy and stamp onto Vellum cardstock using Memento Ink – use a circle die to cut it out
2. Use Stampin Blends Markers to color the little flowers & leaves on the reverse side to keep the image crisp
3. Adhere to a gold Foil Snowflake
4. Use a stamp from Cheers to the Year to stamp the sentiment and cut out with the 1 3/8" Circle Punch - use Dimensionals to adhere to the center of the vellum circle
5. Cut off two small leaves from a Boxwood Wreath and use glue dots to pop in place under the sentiment tag at the bottom. Use a red Enamel Shapes circle to add a 'berry' between the leaves
6. Wrap a piece of Basic Black Shimmer Ribbon around the neck of the bottle and cross over in front – use glue dots to hold in place and trim the ends on a slanted angle
7. Layer a piece of Gold Mini Sequin Trim on top and secure with glue dots
8. Attach the finished tag on top of the criss crossed ribbons with a Dimensional and your bottle of fizz is ready for gifting 😊
