Stampin' Up! Supplies Used:

- Stamps: Bring On The Presents
- Inks: Soft Seafoam, Gray Granite, Cherry Cobbler
- Cardstock: Soft Seafoam, Gray Granite, Whisper White
- Designer Paper: Festive Farmhouse
- Accessories: Basic Brads
- Tools: All The Presents Thinlits Dies, Stampin' Dimensionals, Simply Scored, Big Shot Machine, Snail Adhesive
- Miscellaneous: Orbit Gum or similar sized gum

INSTRUCTIONS:

1. Cut a piece of the Festive Farmhouse Designer Paper to measure 3-3/4" x 6" . Score on the 6" side at 1-3/4", 2-1/4", 4-1/4" and 4-3/4".

2. Fold on all score lines as shown in the photo to fit around the package of gum.

3. Belly Band: Cut a strip of designer paper using a 2nd pattern to measure 12" x 1". Wrap around the gum holder. Pinch and fold along the sides as you wrap around all four sides. The underside of the strips should overlap on top of each other. Trim excess if needed and glue the strip in place. NOTE: Make sure this band can slide off and on by not gluing it too tight.

This is what the gum holder should look like when assembled with the Belly Band.

4. Stamp the large bow image on Soft Seafoam Cardstock using Soft Seafoam Ink. Cut out using the die and glue to the top of the Belly Band using Stampin' Dimensionals.

5. Stamp the small bow on Gray Granite Cardstock using Gray Granite Ink. Cut out using the die. Glue the small bow over the large bow using Stampin' Dimensionals.
6. Stamp the tag image on Whisper White Cardstock using Cherry Cobbler Ink. Stamp the "To" and "From" using Soft Seafoam Ink inside the tag. Cut the tag with the die. Add one Basic Brad in the tag hole. Glue to the Belly Band at an angle as shown in the photo above using Stampin' Dimensionals.
