- Adhere these layers to the Early Espresso card base
- Stamp the jug and flowers onto white cardstock and use the largest oval die in Layering Ovals Framelits to cut it out – color using various Stampin' Blends Markers
- Add glitter to the blue flower using the Clear Wink of Stella Glitter Brush and add a Rhinestone Jewel to the center
- Add the oval to the card base using Dimensionals
- Tie a bow of Linen Thread to the Braided Linen Trim next to the oval shape and there you have one pretty card ready for any occasion!
