## INSTRUCTIONS:

1. Assemble the Clear Tiny Treat Box according to package instructions.
2. Cut a 2 x 8-1/4 inch piece of Follow Your Art Designer Series Paper, and score at just slightly below 2, 4, 6, and 8 inches. Fold along score lines and place inside the box.

3. Place the Ghiardelli squares inside the box and close.

4. Cut a 1 x 8-3/4 inch strip of Follow Your Art Designer Series Paper. Starting from the bottom of the box, wrap around the box, and secure underneath with adhesive of your choice. (I used a small piece of Gift Wrap Scotch Tape. It blends in really well with the DSP, and holds great!)

5. Stamp the A+ Teacher sentiment from Harvest Hellos and cut using the decorative tag die from the Perfect Parcel Dies with a die cutting and embossing machine. Attach to the front of the box with glue dots.

6. Next, make the bow for the top: cut a 2 inch circle out of white card stock with the 2 inch circle punch. Then cut **12** strips of DSP, each measuring 3 x 1/2 inches, and **1** strip measuring 2-1/4 x 3/4 inches.

7. Take the 12 DSP strips and fold each one over and secure the ends of each together with a glue dot. Place the first 6 in a star pattern around the 2 inch circle and secure with glue dots.

8. Take the remaining 6 loops and make a second layer, overlapping the bottom loops. Once all 12 are adhered, take the remaining 2-1/4 x 3/4 inch piece of DSP and make a circle loop. Apply to the middle of the bow with glue dots. Trim the 2 inch circle underneath and attach to the top of the box.

9. Make the coordinating card using a White Notecard & Envelope.

**Measurements for the card are as follows:**

Notecard: 3-1/2 x 5 inches (folded); 7 x 5 inches (unfolded)

Coastal Cabana middle layer: 3-1/4 x 5-3/4 inches

Whisper White top layer: 3-1/8 x 4-5/8 inches

DSP strip: 7/8 x 3-1/8 inches

Sentiment piece: 1 inch circle

Sentiment backing piece: 1-3/8 inch scallop circle

Stamp, assemble, and embellish the card as shown.

10. Sign and give to your favorite teacher! 😊
