

## VALENTINE CHOCOLATE HEART TREAT BOX

By Nicolle Belesimo

## Stampin' Up! Supplies Used:

- Stamps: Heartfelt Stamp Set
- Inks: Real Red, Flirty Flamingo
- Cardstock: Shimmery White
- Designer Paper: From My Heart Specialty DSP
- Accessories: Real Red 3/8" Double Stitched Satin Ribbon
- Tools: Heart Punch Pack, Paper Snips
- Miscellaneous: Mini Pizza Boxes, Heart Doilies, Heart Epoxy Droplets

## INSTRUCTIONS:

1. Assemble the Mini Pizza Box. Cut two pieces of 3-1/4 x 3-1/4 inch pieces of From My Heart Specialty DSP. (One will be used on the top of the Mini Pizza Box and the other will be used to line the bottom of the inside of the box.) Use Snail Adhesive to attach one to the top of the box and one to the inside.
2. Place 5 foil wrapped chocolate hearts (or other treat of your choice) in the box.

3. Close the box and wrap a piece of ribbon around the box so that it wraps around all four sides and closes the box tight. Attach the ends of the ribbon to the top of the box using mini glue dots. (This picture shows the bottom of the box).

4. Stamp the sentiment in Real Red and the arrow in Flirty Flamingo onto Shimmery White cardstock. Punch the heart with the small heart from the Heart Punch Pack. Fussy cut the arrow using Paper Snips.

5. Lay the arrow over the doily and adhere with glue dots. Then, attach the heart sentiment over it with dimensionals.

6. Apply three small epoxy hearts to the sentiment piece and color them with Flirty Flamingo Stampin' Blends to add a little more detail. Once that is done, the project is complete!
