### To create the belly band:

- Adhere the strip of plaid patterned paper on top
- Stamp hearts onto the small tag – make a small hole in the top of the tag
- Wrap around a piece of Linen Thread and feed through the small tag – position and finish with a bow

### To create the tag:

- Take the tag shape and stamp the sentiment onto it
- Use Dimensionals to adhere onto the tin
- Stamp the bow onto a piece of Mint Macaron cardstock and punch out – adhere with Dimensionals
- Use the Autumn Punch Pack to punch out the leaves & acorn and adhere where liked
- Adhere a few sequins in place and your tin is ready for gifting 😊
