

Trio of Cards made using Stamps & Dies from the Harvest Hellos Bundle

Welcome to my Project for the Weekend series of three cards that range from quick & easy stepping up to in depth with one in between!

All cards in this trio are made using the same Bundle of Stamps & Dies and the same colors are carried throughout as a way to show you how to work with what you have to give very different looks.

Beginning card making or just want a clean & simple quick card? I've got you covered as the first card is just that! Got time and supplies to add a little more to it? The second is for you! Want to spend more time to create a wow card? The third card is that one! Or make all three and enjoy playing with this fantastic bundle.

Here are the three cards that feature the Harvest Hellos Bundle – you will find a Project Sheet for each one detailing supplies, cutting measurements and full instructions:
