3. Use a large scalloped rectangle die from Scalloped Contours Dies to shape a piece of Black cardstock and then position a die from Stitched Rectangles Dies inside it to cut the center panel out to create a frame – adhere in place using Glue Dots being sure to leave an unglued area in the bottom left corner
4. Cut the Old Olive strip and use Paper Snips to cut 3/4 of the way down along the entire strip to create 'grass' – tuck one end under the frame in the left bottom corner and use glue dots to adhere in place
5. Stamp 'Happy Father's Day' under the frame (or 'Happy Birthday' which is also included in this set)
6. Wrap around a piece of White Bakers Twine and finish with a bow in front
7. Stamp the lawnmowing man on a piece of White cardstock and color using Stampin' Blends Markers – cut out using Paper Snips and adhere in place using Dimensionals
8. Stamp the 'You make the world look better' sentiment onto Daffodil Delight cardstock and cut out using a die from Layering Circles Dies to create the sun – adhere in place
9. Use the Dark Black Blends Markers to color three Rhinestone Jewels – adhere one to each lawnmower wheel and another in front of the 'Happy Father's Day' wording and your card is ready for giving!
