## Instructions:

1. Use the largest scalloped rectangle die from Scalloped Contours Dies to cut a piece of Black cardstock and adhere to the pink card base
2. Cut the pink layer to size and use the outline floral stamp from Color & Contour and Polished Pink Ink to randomly stamp the flower repeatedly across it and adhere to the black scalloped layer
3. Use another die to cut a white layer and adhere to the center of the pink layer
4. Take the outline floral stamp and using Black Ink stamp it three times onto a piece of White cardstock
5. Use the coordinating 'filler' floral stamp and Polished Pink Ink to stamp inside those outlined flowers
6. Take the coordinating die from Scalloped Contours Dies to cut out each flower – use Dimensionals to adhere them onto the white scalloped layer
7. Cut a piece of Polished Pink Open Weave Ribbon and wrap around the card, finishing with a knot
8. Take the 'You're Absolutely Amazing' stamp and stamp it with Versamark Ink onto a scrap of pink cardstock – sprinkle over White Embossing Powder and use the Heat Tool to set it
9. Use the Double Oval Punch to cut this sentiment out and adhere over the ribbon using Dimensionals
10. Finally add a few sparkly Rhinestone Jewels and your card is ready for giving!
