Card 1 - You're in a League of Your Own

Instructions:

1. Take the 'You're in a League of your own' card, turn over and place Dimensionals on the back – one in each corner and one in the center – and adhere to the center of the card base
2. Take 4 1/2 " of White Bakers Twine and tie into a bow – place a glue dot onto the knot and adhere just to the left side of the card
3. Take whichever stamp you would like to use (I used 'Grandpa') and ink it up using the Night of Navy Ink Spot and stamp down onto one of the white banner pieces on your sheet – I find it easier to stamp the banner pieces whilst still attached to the whole sheet
4. Remove that stamped piece and place Dimensionals on the back of it – one at the end that will be sitting on the card and a stack of two for the other end that will stick to the card base – adhere in place so that it straddles the card and bakers twine
5. Add two yellow and one red resin dot where you would like and your card is ready for giving!

Card 2 – All Star with Bats & Ball

Instructions:

1. Take the small red printed strip and adhere to the blue striped card base
2. Add two baseball bats, crossing one of the other – either to the side or centrally
3. Take the baseball printed die cut and use whichever stamp you would like (I used 'son') and stamp directly onto it. Turn over, apply Dimensionals and adhere onto the red strip
4. Apply Dimensionals to the back of the 'All Star' printed die cut piece and adhere over the baseball
5. Add two yellow and three red resin dot where you would like and your card is ready for giving!

Card 3 – You're the Best

Instructions:

1. Take the red & yellow striped printed strip – apply Dimensionals to the back and adhere in place
2. Take a 12” piece of White Bakers Twine and tie into a large bow – use a glue dot to adhere to the center of the striped card
3. Take the pocket shaped die cut piece and use the ‘You’re the Best’ stamp to stamp onto the center of it – then take whichever small stamp you would like (I used ‘Uncle’) and stamp below it
4. Apply Dimensionals to the back of the pocket piece and adhere over the bow
5. Add two yellow and three red resin dot where you would like and your card is ready for giving!
