## CHRISTMAS WHIMSY CARD KIT (#158166)

Here is a simple, step by step tutorial showing you how to assemble these most awesome cards featured in this Card Kit – please remember that this kit is **ONLY** available whilst supplies last and so if you want to purchase one or two or more, please do so today!

## CARD 1 CARD BASE:

Ink up the snowflakes stamp using the Night of Navy ink spot and stamp across the background – I find it easier to go along the tree/snow line first and move up and outwards – have a piece of scrap paper behind so that you can stamp along the edges!

Carefully remove the cute die cuts from the sheet

Turn over and apply the Dimensionals

And position in place on the card base

Ink up the sentiment stamp and stamp onto the tag die cut shape

Cut a piece of gold twine to measure 3"

And thread through the tag finishing with a knot

Turn over and apply Dimensionals to the back

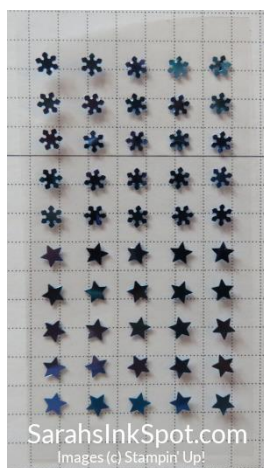

And position on the card base making sure to loop the twine over the stack of gifts

Take the sheet of adhesive backed stars and snowflakes – you are going to use snowflakes on this card

Use a tool such as a paper piercing tool to position 5 snowflakes onto your card

And here is the finished masterpiece – how pretty this is and so much fun to make!

There is even a stamped verse for the inside included in this stamp set

**CARD 2 CARD BASE:**

Ink up the stars stamp using the Night of Navy ink spot and stamp across the background –go along the tree first and move up and outwards – have that scrap piece behind again to catch your overstepping!

Pop the die cut out from the sheet and again apply Dimensionals to the back

Position in place on the card base

Take the sheet of gold stars

And pop one on top of the printed star at the top of the tree

Cut an 8" piece of gold twine

And tie into a bow

Stamp the sentiment onto an oval die cut

Apply two glue dots to the back of the bow

And adhere to the back of the oval

Add two Dimensionals to the back

And adhere to the tree

Take 5 adhesive backed stars and add to the card

And here is your finished card – so cute!

I hope you enjoyed putting your cards together – remember that if you want any more of these kits please order quickly – they are **ONLY AVAILABLE WHILST SUPPLIES LAST!**

Happy Holiday card making!
