If you placed an order in my store during February, you will have received all of the layers, embellishments and pieces to create this adorable card! (excluding stamped images)

I hope you enjoy putting your card kit together – I used an Easter stamp because tulips remind me of the spring but you can use any sentiment you would like – have fun & happy stamping!

Sarah

How to assemble your card:

1. Take your wood patterned paper layer and tape to the card base – tape the scalloped mat on top
2. Use your Fine Tip Glue Pen to apply glue to the stem and add to the card
3. Use tape to adhere the leaves each side of the stem, positioning the right one slightly higher
4. Use Dimensionals to adhere the Tulip flower at the very top
5. Stamp your sentiment of choice onto the blank small scalloped & dotted layer and use Dimensionals to adhere over the stem and leaves
6. Dot around the Silver & Clear Epoxy Dots and there you have one adorable card ready for giving!
