MARCH 2022 FREE CARD KIT TUTORIAL

If you placed an order in my store during March, you will have received all of the layers, embellishments and pieces to create this adorable card! (excluding stamped images)

All images copyright © 1990-2022 Stampin' Up! ®

I hope you enjoy putting your card kit together – I used an Easter stamp because tulips remind me of the spring but you can use any sentiment you would like – have fun & happy stamping!

How to assemble your card:

1. Take your dotted patterned paper layer and tape to the card base – tape the striped strip on top
2. Use your Fine Tip Glue Pen to apply glue to the stem and add to the card
3. Stamp your sentiment of choice onto the blank small circle and use Dimensionals to adhere in place
4. Use a bone folder to make score lines down the center of the leaves and slightly fold – adhere to the card
5. Use a Black Stampin Blends or other permanent black ink marker to color the pearls – assemble your two ladybugs and use Dimensionals to adhere in place and there you have one adorable card ready for giving!
