I hope you enjoy putting your card kit together – I wanted the colors of this card to reflect (in a soft pretty way) the red, white and blue colors of the upcoming July 4<sup>th</sup> holiday - for my red I chose Sweet Sorbet and my blue is Pool Party – SO pretty together along with that fun seagull themed background paper! Have fun & happy stamping!

## How to assemble your card:

1. Adhere the Basic White layer to the Sweet Sorbet card base
2. Position and adhere a strip of seagull patterned paper to the top of the white layer
3. Do the same for the very bottom piece
4. Space out and position your two center pieces and adhere in place
5. Adhere the sandy die cut island on top
6. Adhere the brown sailboat punched out pieces onto it using Fine Tip Glue
7. Adhere the left patterned sail in place using tape and the right one using Dimensionals
8. Use a Fine Tip Glue Pen to attach the sentiment just under your island
9. Adhere the three punched out stars using Dimensionals
10. Dot around some Glossy Dots and you have one fun summer themed card ready for giving!
