JULY 2022 FREE CARD KIT TUTORIAL

If you placed an order in my store during July you will receive all of the layers, embellishments and pieces to create this fun Halloween card (excluding stamped images)

All images copyright © 1990-2022 Stampin' Up! ®

I hope you enjoy putting your card kit together – I wanted the colors of this card to feel spooky but a little light at the same time and that background paper is just the thing! Have fun & happy stamping!

Sarah

How to assemble your card:

1. Adhere the Crushed Curry layer to the card base
2. Take the die cut oval tree silhouette black layer (the large trees die from Aspen Tree Dies was used to cut it out) and use Fine Tip Glue to adhere it to the striped patterned paper layer
3. Adhere to the card base and wrap around your twine, finishing with a bow in front
4. Take the Vellum circle (cut using a die from Stylish Shapes Dies) and adhere in place
5. Use glue to adhere the black brim band onto your green Glittered Witches Hat and use Dimensionals to adhere over the Vellum Circle
6. Use glue to adhere your stars in place and dot on your orange gems where desired
7. Use dimensionals to adhere the bats onto the trees
8. Stamp your choice of sentiment – I used a stamp from Scary Cute – and adhere it in place.
9. And there you have one spooky card ready for giving!
