**The Lid** – Cut a piece of cardstock to measure 5" x 5" – score in at 3/4" on all four sides

Stamp your images on the center panel and decorate as wished

Cut slits on all four tabs at each corner

Fold along all score lines

Apply very strong adhesive tape to the inside of each corner tab and adhere in place – and there is your completed lid

**The Base** – cut a piece of cardstock to measure 6 1/8" x 6 1/8" - score in at 1 3/8" on all four sides

Cut slits on all four tabs at each corner

Fold along all score lines

Apply very strong adhesive tape to the inside of each corner tab and adhere in place – and there is your completed base

**The Notecards** - I made 9 notecards – 3 different designs, 3 of each – along with coordinating envelopes:

Fill your box with your notecards and pop the lid on top

And for a finishing touch and to hold the lid firmly in place, I wrapped around a piece of White Bakers Twine and finished with a bow
