Cutting Measurements:

Early Espresso Layer: 4" x 5 1/4"
Basic White Layer: 3 7/8" x 5 1/8"

Instructions:

1. Adhere the Early Espresso layer to the Crumb Cake card base
2. Use the water stamp from Let's Set Sail and Pool Party Ink to stamp the 'sea' four times, overlapping and staggering each one – for a muted look like mine, stamp 'off' each time on a piece of scrap paper before stamping on your cardstock
3. Use a die from Horizon Dies to cut the 'sand' from So Saffron cardstock and adhere – use the grass die and Granny Apple Green cardstock to create the dune grass and adhere in place.
4. Use the sand die again to cut out a piece of Daffodil Delight cardstock – trim to size and adhere onto the grass with Stampin' Dimensionals
5. Die cut the fence out of Crumb Cake cardstock, add a bow and adhere in place
6. Stamp the sailboat using Early Espresso Ink and the sails using Coastal Cabana Ink – use the Sailboat Punch to cut out the pieces – glue the boat in place and add the sails with Dimensionals
7. Stamp the seagulls at the left top and stamp the sentiment onto a scrap piece of white cardstock using Early Espresso Ink– cut out using a die from Tasteful Labels Dies and add to the card with Dimensionals
8. *Add some Rhinestone Jewels and adhere your layer to the card base – tip: if you don't have colored Rhinestone Jewels you can use alcohol markers such as Stampin' Blends to color them!*
9. And now your pretty summery card is ready for giving!
