Cutting Measurements:

Blue Card base: 8 1/2" x 5 1/2" - scored at 4 1/4"

White Layer: 4" x 5 1/4"

Instructions:

1. Take the wave stamp and turn over – use a sponge dauber to dab on Night of Navy Ink – I applied that ink to the bottom corners and the center of the wave – make sure your ink pad is moist for ease of doing this
2. Take another sponge dauber and dab on Pacific Point Ink – I applied that color to the bottom and part way up the side of the wave
3. Take another sponge dauber and dab on Bermuda Bay Ink – I applied that to the top of the wave and randomly over the rest of it
4. Stamp firmly down onto the white layer and leave to dry
5. Use the wave die to cut a scrap of white cardstock and use Fine Tip Glue to adhere it onto your stamped wave
6. Die cut clouds and birds from scraps of white cardstock and adhere in place
7. Stamp the sentiment and die cut it out – thread through white bakers twine and wrap twice around the white layer, securing with a bow in front – use Dimensionals to adhere the sentiment tag to the card
8. Adhere this white layer to your blue card base
9. Finally add some Rhinestone Basic Jewels that you have colored using Stampin' Blends Markers NS your beautiful card is ready for giving!
