AUGUST 2022 FREE CARD KIT TUTORIAL

If you placed an order in my store during August you will have received all of the layers, embellishments and pieces to create this Scottie Dog card! (excluding stamped images)

All images copyright © 1990-2022 Stampin' Up! ®

I hope you enjoy putting your card kit together – I used a sentiment from the stamp set that coordinates with the Scottie Dog Punch called Christmas Scottie, but you can use any sentiment you would like – have fun & happy stamping!

Sarah

How to assemble your card:

1. Take the Basic White embossed layer and adhere to the Poppy Parade card base
2. Adhere the two patterned squares in place – the solid patterned piece behind the snow scene piece
3. Stamp the sentiment of your choice and cut out using a punch or die and add to the card using Dimensionals – I used a stamp from Christmas Scottie and cut it out using a die from Stylish Shapes Dies
4. Use a glue dot to adhere the bow onto your Scottie Dog then add the dog to the card using Dimensionals
5. Dot around a couple of Iridescent Pearl Jewels and there you have one cute card ready for giving!
