SEPTEMBER 2022 FREE CARD KIT TUTORIAL

If you placed an order in my store during September you will have received all of the layers, embellishments and pieces to create this Holiday Gnome card! (excluding stamped images)

All images copyright © 1990-2022 Stampin' Up! ®

I hope you enjoy putting your card kit together – I used a sentiment from the stamp set called Kindest Gnomes that coordinates with the Gnome Dies & Storybook Gnomes DSP but you can use any sentiment you would like – have fun & happy stamping!

Sarah

Fun note about this Card Kit – the Gnome character and Toadstool were both DIE CUT out of sheets of paper from Storybook Gnomes DSP using dies from Gnome Dies – the shapes perfectly coordinate with the dies – how fun is that? It makes for quick & easy Holiday card making with no stamping, fussy cutting or coloring required!

How to assemble your card:

1. Take the blue & white snowflake patterned layer and adhere to the Basic White card base
2. Adhere your snowflake in place using glue
3. Adhere the sparkly White Glimmer strip in place at the bottom edge of the patterned paper using tape
4. Use Dimensionals to attach your toadstool so that it pops off of the background
5. Stamp the sentiment of your choice and cut out using a punch or die and add to the card – I used a stamp from the set Kindest Gnomes to stamp mine in Black Ink and then used a die from Stylish Shapes Dies to cut it out – I adhered mine onto the toadstool using tape
6. Use a double layer of Dimensionals to attach your gnome
7. Dot around a couple of Festive Pearls and there you have one festively cute card ready for giving!
