## NOVEMBER 2022 FREE CARD KIT TUTORIAL

**If you placed an order in my store during November you will have received all of the layers, embellishments and pieces to create this Holiday Santa Express Train card! (excluding stamped images)**

All images copyright © 1990-2022 Stampin' Up!®

This month you will see that you also get a bonus envelope with your Card Kit! That is because the card base is from the Santa Express Memories & More Cards & Envelopes pack – in it you get 20 printed card bases (10 dotted and 10 green patterned) along with 20 coordinating envelopes.

I hope you enjoy putting your card kit together – I used the 'ho ho ho' sentiment from the stamp set Santa's Delivery but you can use any sentiment you would like – have fun & happy stamping!

## How to assemble your card:

1. Take the embossed white layer that has been textured using one of the Charming Landscapes Embossing Folders and adhere to the Basic Black layer
2. Adhere to the Santa's Express Memories & More card base
3. Wrap the ribbon around and secure on the inside of the card front with tape
4. Use a Fine Tip Glue Pen to adhere the glittery white train track piece onto the ribbon
5. Use Paper Snips to cut out the trees and adhere just behind the ribbon on the left
6. Use Dimensionals to attach the train pieces onto the track
7. Attach the sign using a double layer of Dimensionals to the bottom left side
8. Take the die cut wreath and adhere just behind the train carriage using a Fine Tip Glue Pen
9. Take the Snowy White Velvet paper steam puffs and adhere just above the train's smoke stack
10. Stamp your sentiment onto the circle and adhere to the center of the wreath using Dimensionals
11. Dot on some Festive Pearls – one red one to the sentiment circle and two silver ones on the train and carriage – and your sweet card is ready for giving!
