JANUARY 2023 FREE CARD KIT TUTORIAL

If you placed an order in my store during January you will have received all of the layers, embellishments and pieces to create this fun Card! (excluding stamped images)

All images copyright © 1990-2023 Stampin' Up! ®

You will have received one of the designs above – I think they are all cute! Those sweet characters are die cut from a sheet of paper in Rain or Shine DSP using coordinating dies that you can find in Playing in the Rain Dies.

I hope you enjoy putting your card kit together – I used sentiments from the stamp set 'Playing in the Rain' but you can use any sentiment you would like – have fun & happy stamping!

Sarah

How to assemble your card:

1. Take the colored cardstock layer and adhere to the card base
2. Adhere the patterned paper layer on top
3. Adhere the patterned strip across the card, about 1/4 of the way up from the bottom
4. Stamp your sentiment onto the stitched circle and adhere in place
5. Adhere your character slightly overlapping the circle, using Dimensionals so that it 'pops out'
6. Adhere your clouds in place – use tape or Dimensionals or a combo of both
7. Add your two Fun Flowers embellishments and your cute card is ready for giving!
