MAY 2023 FREE CARD KIT TUTORIAL

If you placed an order in my store during May you will have received all of the layers, embellishments and pieces to create this pretty card! (excluding stamped images)

All images copyright © 1990-2023 Stampin' Up! ®

This card is created using patterned papers, stamps & dies from Les Shoppes Suite Collection – the background street scene paper is from Les Shoppes DSP and the shop was cut from a sheet of paper also in Les Shoppes DSP.

I hope you enjoy putting your card kit together – I used a sentiment from the stamp set 'Let's Go Shopping' but you can use any sentiment you would like – have fun & happy stamping!

Sarah

How to assemble your card:

1. Take the Basic Black White and adhere to the Pecan Pie card base
2. Adhere the patterned Designer Series Paper layer to the Basic White layer
3. Wrap around a piece of Linen Thread and finish with a bow on the right side
4. Adhere the Store that was cut from a piece of patterned paper featured in Les Shoppes Designer Series Paper in place using Dimensionals.- do the same for the pot of flowers
5. Take the die cut greenery planter and adhere to the left side of the shop using a Dimensional
6. Take the die cut lamppost and adhere under the Linen Thread using Fine Tip Glue – you can also add the die cut bench if you choose to
7. Stamp the sentiment of your choice using Pecan Pie Ink onto the rectangle die cut and adhere in place
8. Add two Ombre Matte Decorative Dots – one on the bottom left corner of the shop and the other to the right of the sentiment tag – and your sweet card is ready for giving!
