SEPTEMBER 2023 FREE CARD KIT TUTORIAL

If you placed an order in my store during September you will have received all of the layers, embellishments and pieces to create this beautiful card! (excluding stamped images)

All images copyright © 1990-2023 Stampin' Up! ®

This card is created using leaf dies from Autumn Leaves Dies to cut out a variety of pretty colored leaves – the background texture is created using the Distressed Tile 3D Embossing Paper and the band of patterned paper is from a sheet of paper you can find in Tartan Foil Specialty DSP.

I hope you enjoy putting your card kit together – I used a sentiment from the stamp set 'Autumn Leaves' but you can use any sentiment you would like – have fun & happy stamping!

Sarah

How to assemble your card:

1. Take the Very Vanilla Thick Card Base and adhere the patterned paper across the center
2. Layer on the die cut Scalloped Rectangle and onto that, the textured embossed panel
3. Lay out your leaves and decide which you want where – once decided, take a photo so that you can easily recreate your scene and adhere each leaf in place
4. Stamp your sentiment onto the die cut sentiment tag and adhere onto the leaves using Dimensionals
5. Using the piece of Linen Thread tie a bow and adhere in place using a glue dot just underneath the sentiment tag
6. Add three Adhesive Backed Speckled Dots and your beautiful card is ready for giving!
