AUGUST 2023 FREE HALLOWEEN BOX KIT TUTORIAL

If you placed an order in my store during August you will have received all of the layers, embellishments and pieces to create this fun Halloween Treat Holder!

All images copyright © 1990-2023 Stampin' Up! ®

This box is created using dies from Trick & Treats Dies and the fabulous Glow in the Dark Specialty Paper which you can see behind the lantern – that lantern is cut out using a die from Lighting the Way Dies and what a great effect! The patterned paper behind is from Them Bones DSP and I also added a couple of Glow in the Dark Bats to finish it up!

I hope you enjoy putting your Halloween Treat Box Kit together – have fun & happy spooky stamping!

Sarah

How to assemble your box:

1. Take the two Basic Black die cut box pieces and apply strong adhesive tape to the side & bottom tabs and peel off – press firmly in place to adhere together
2. Adhere the patterned Designer Series Paper layer onto the box front
3. Adhere the die cut Glow in the Dark deckled circle in the center
4. Adhere the black lantern on top
5. Thread the ribbon through the hole at the top of the lantern and finish with a knot – trim any excess
6. Adhere the die cut 'BOO' in place at the bottom of the lantern
7. Add the two Glow in the Dark Bats to the top & bottom opposite corners and your sweet treat box is ready for filling and gifting!
