Take a 1.55 oz sized Hershey Candy Bar (the size you find in a 6 pack) and a landscape orientation card base from the Home for the Holidays Paper Pumpkin Kit:

Cut 1/2" off of the back plain panel. Put into your Scoring Tool with the printed panel to the left side – long edge along the top of your tool – and score at: 1 1/2", 1 3/4", 4", 4 1/4", 6 1/2" and 6 3/4"

Fold along all score lines with a bone folder and this is what you should have:

Wrap around your Hershey Candy Bar and use a piece of Tear & Tape to secure the flap at the back:

Take the long row of houses:

And trim 3/8" off of the bottom snow part:

Take the sheet of glittered labels and you are going to use your Paper Trimmer to cut off the very thin top section that is 'scrap':

Take that thin glittery section and use Fine Tip Glue to apply glue along the back:

And adhere to the bottom of the row of houses:

Adhere the row of houses onto the Candy Bar Wrapper using Dimensionals:

Stamp your sentiment and adhere in place using Dimensionals:

Apply Glitter Glue to the rooftops and windowsills of the houses and your Candy Bar Gift is ready for gifting!

I hope you enjoy making your own and if you have any questions, please email them to me at sarah@sarahsinkspot.com and I will be very happy to help.
