Cut a piece of cardstock to measure 1 1/4" x 5 1/2"

Put into your Scoring Tool with a long edge along the top of your tool – and score at: 1 1/4", 2 1/2", 3 3/4" and 5" – fold along all score lines and secure the back tab with strong adhesive tape.

Pop a Hershey Kiss inside and secure with a glue dot on the bottom.

Decorate as wished! I cut out the houses and trees and used tape and Dimensionals to adhere them in place and added glitter glue to the rooftops, windowsills and bottom.

I hope you enjoy making your own and if you have any questions, please email them to me at sarah@sarahsinkspot.com and I will be very happy to help.
